

## **Estero Citizens Candidate Review Committee**

### **Supporting Our Recommended Candidates**

We urge you to consider volunteering to help one or more of our Recommended Candidates for the General Election and to solicit any friends and neighbors who might want to do so as well. These candidates have identified the following urgent campaign needs and provided their volunteer contact information.

Two years ago we carried all our recommended candidates except for County Commission Candidate Dick Anderson who lost by less than 1% without this kind of effort. We don't want that to happen again this year.
