

MAIL IN BALLOTS STARTING Oct 5th
EARLY VOTING STARTING Oct 22nd
ELECTION DAY November 6th

START FROM THE BACK

There will be plenty of important candidate selections and amendments to consider in our upcoming election. Among those important selections will be an opportunity to elect the next School Board member for District 6 (represents entire county). I am asking for your vote as I seek to be elected to this position.

Why choose me?

I'll bring 25 years of real-world experience in financial oversight, problem solving and operations from executive roles with GE, Duke Energy, Comcast and Hertz. I am committed to restoring public trust by ensuring a higher level of accountability and transparency.

I'll focus on ways to reduce our high teacher turnover (53%) and take proactive steps to make our schools safer by increasing mental health support and controlling who enters our schools.

You can also count on me to increase our technical and vocational training offerings - boosting our graduation rates above the current 78% and filling local job opportunities with recent graduates.

This is the easiest selection on your ballot.

Turn your ballot over

Vote for Dr.

Nicholas Alexander

Lee County School Board, District 6, At-Large.

Thank you for your consideration

Nicholas

Father, Husband and Your Fiscal Watch Dog
